I appreciate that there may be problems when two or more girls from the same family fall into different age groups and that this may put unnecessary burdens on family commitments.

I will, of course, try to accommodate girls from different age groups attending the same session but you will, I hope, understand that the content of the course may not be quite as suitable.

To ensure that you are included in the coaching programme please complete the Notts Tracker Form and return as soon as possible with your cheque made payable to NCLGA to Sue Taylor at the above address.

This year in order to save money we are e mailing as many of you as possible, if there are any queries please don't hesitate to phone or e mail.

Please contact your local club as some of them have begun to create coaching for girls only, and do not need our support.

Yours sincerely,

Sue Taylor
